

Attention shareholders: When your address changes, you must notify both NANA and United States Post Office (USPS). The USPS system does not notify NANA records if an address has changed, and this can create delays with delivery of materials.

To update your address, please send your full name, current address, date of birth and last four digits of your Social Security Number to:

Email: records@nana.com or **FAX:** (907) 442-3356
